

Community Economic Development Fund Small Business Training Institute

When you strengthen your skills, you strengthen your business!

Tax Related Issues for Small Business

Every business owner needs to know the tax issues that are associated with owning a small business in Connecticut. Learn about the different kinds of taxes affecting your business and about your filing responsibilities and deadlines. Have questions about payroll taxes, sales tax and personal property tax? Our certified CPA instructors will help you understand your reporting and compliance responsibilities.

Each workshop consists of a 2-session series of classes. Participants are expected to attend both classes to receive full credit and a certificate of successful completion

All classes held: 6:30 – 9:00 PM
